Dear Councillors

Internal Audit

I have examined the financial records for the year to 31 March 2022, and agree that the figures entered on the Annual Return are correct and in accordance with the supporting documentation.

Because of the tiny number of transactions in the year I have been able to check 100% of them and can report that

- a) The records have been meticulously kept;
- b) The transactions can be easily followed from the Nationwide Pass Book to the Cashbook and thence to the Receipts and Expenditure statement and finally to the Annual Return;
- c) The Pass Book agrees to the Cashbook with no reconciling needed;
- d) All transactions are reflected in the minutes of the Council Meetings;
- e) The reserve remains healthy at £3,965, £913 up on last year. Still a reasonable level for this size of authority;
- f) I note that the precept has been returned to £1,800 for the current year. This should be ample for most contingencies;
- g) The band D council tax at 16.53 still remains very low compared to other Wiltshire parish councils;
- h) I was pleased to find the latest accounts and budgets on the website at [www.stertparish.com](http://www.stertparish.com) along with all the minutes, so enabling me to tick box L in the Internal Audit Report.

So long as d) continues to be true – that every item is reflected in the minute books , and the books continue to be kept so well, in this scale of organisation that is about as good an internal control one could ask for. I am glad to see budgets being produced and evidence of actual figures being monitored against them. Also it is good to see the memorandum account providing for future costs for the maintenance of the telephone box now standing at £150..

Many thanks for your assistance

Yours faithfully

Neville Burrell
